

Tudor Grange Primary Academy

Meon Vale

Monday 13th June 2022

Dear Parents/Carers,

Welcome back! I hope you had a lovely half-term break and were able to enjoy some of the Jubilee celebrations.

This half-term we will be continuing with our History topic, '**Let Me Entertain You**', where we will be learning about changes within living memory with a specific focus on music and technology. The children will learn about how technology and music have changed entertainment by learning about gramophones, radio, television, computer games and smartphones.

Our focus text for our English and Guided Reading lessons will be '**Leaf**' by Sandra Dieckmann. The children will be exploring this text and completing a variety of different writing activities linked to the story, including a setting description and a non-chronological report about polar bears.

Our Science topic for this half-term is '**Plants**'. The children will continue to learn about the conditions that plants need to be able to grow and will also learn about seed dispersal. This half-term, we will also be completing a number of investigations with a focus on '**The Environment**'. Within this unit, the children will be thinking about environmental issues and the simple changes that can be made to help us live more sustainable lives.

Our PE lessons will continue to take place on a Thursday afternoon and spellings will continue to be tested on a Friday.

Here are some useful Maths resources to consolidate your child's learning from last half-term. We are not expecting you to print these or return them to school (unless you want to) but we hope you find them useful when supporting your child at home.
