Meon Vale

Inspire, Enjoy, Achieve

Upcoming Topics and Ideas of Things to do at Home: Continents of the World – Australasia and North America

Nursery Class - Seedlings

Don't forget to bring in your holiday mementos for us to keep on display to use as a talking point during our 'Continent' learning.

At home, keep practising your counting – try counting steps/stairs or certain objects around the home.

Don't forget to bring your 'share a story' books back so that we can change them for a new one. Reading at home daily is highly encouraged to help your child's story language develop!

Reception Class – Little Oaks

We are pleased that the books are so popular at home!

Once they are familiar with it, you could always encourage your children to retell the story to you from the pictures.

Can they recall any key events, words or phrases? This is great for developing their story language.

We will be looking at Australia next week – animals, art and musical instruments. Feel free to research some Australian animals at home and find out some facts about them!

News/Information:

Your DVDs of the school Nativity will be in their book bags today (or the next time that your child is in school). Thank you for your patience, they took us a little longer to make than we thought they would!

As our pupil numbers are increasing, we are running the parents' evening over 2 days this time. A later one on the Wednesday and a couple of slots just after school on the Thursday. Look out for us with our clip boards in the playground next week!

Upcoming Birthdays in the School:

It was Zofia's 4th Birthday on the 29th January – we all hope you had a lovely day!

Jessica will be 5 the 7th February – HAPPY BIRTHDAY!

Some Dates for your Diary:

- Wednesday 12th and Thursday 13th February – parents' evenings. We will be coming round the playground next week to sign you up to a slot. Wednesday timings are 3.20pm-6.00pm and Thursday timings are 3.20pm-4.00pm.
- Friday 14th February – break up for half term at the usual time of 3pm.
- Return to school on Monday 24th February.

Reminders/Messages:

The month of February is 'Bee Kind' Month for all of the schools in the Tudor Grange Trust. Today we are sending home a calendar covering the month of February with ideas of small things that you could do each day to help and 'bee' kind to others. We will be doing the activity it suggests each day here at school, but if you could carry it on at the weekend, that would 'bee' great! We even have some bee stickers at the ready for each day!

For junk modelling items, at the moment we need: toilet rolls, large boxes (as we will be making pirate ships after the half term) and small boxes such as tissue boxes, cereal boxes etc. Thank you!
