

Tudor Grange Primary Academy

Meon Vale

30th March 2020

Dear Parents and Carers,

I hope that you all managed to get a rest this weekend and that you are ready for week 2! Thank you so much for all your lovely photos and work we have really enjoyed seeing them. We hope you liked our short film we made of us all working from home too!

I just wanted to provide some additional information for those in receipt of free school meals and some FAQs we have been receiving over the weekend. Hopefully this will answer any questions you may have but as always, do let us know if there is anything we can do to help.

Provision of Free School Meals

We have set up a scheme to provide vouchers, eligible families should have received text messages last week about this scheme. If you did not receive a text, and you believe you should have done, please contact us on fsm@tgacademy.org.uk.

It will take some time, we estimate 2 days, for vouchers to be issued. If you need support sooner than this, then please contact the school on agreeen@redditch.tgacademy.org.uk

Some families may be facing loss of income and may now be in the process of applying for support. Please contact us by emailing agreeen@redditch.tgacademy.org.uk if you are in this situation and you feel you may be eligible to free school meal support.

FSM Vouchers FAQs

We are glad that most of our families have been able to access their vouchers over the weekend. Thank you for your patience whilst we are making this new system work effectively.

Please do contact us if you have not been issued vouchers and you think that you should have received them. You can contact us on agreeen@redditch.tgacademy.org.uk or fsm@tgacademy.org.uk

We have been answering questions over the weekend, the most frequently asked questions and our responses are set out below.

I have older children who have qualified for the vouchers, but I should be receiving vouchers for their younger brothers/sisters too, what do I do now?

You will need to contact your school office on Monday 30/03/20 and alert them to this. They should be able to ensure they have the correct details for all your children and then they will issue the vouchers you are eligible for.

Tudor Grange Primary Academy

Meon Vale

I have a child in reception/year 1/ year 2 and I know that their friends have received vouchers. I receive benefits/ Universal credit, but I have not received any vouchers, what do I do now?

Your child receives free school meals through the universal infant free school meals scheme but you should have been advised that you needed to make a separate application if you think your child is eligible for free school meals and your school should receive a pupil premium payment to support your son/daughter.

You should have been asked to apply through the link below:

<https://www.gov.uk/apply-free-school-meals>

If you are making a new application and this has not yet been processed, then please contact your school from Monday 30/03/20 to confirm that you have made an application and we will arrange for you to receive the vouchers.

Will you be/when will you be issuing another voucher(s)?

As we have not received any Government guidance about the national scheme and we know that some of you want to be able to plan, we will make arrangements so that you receive another voucher from us on Friday 3rd April, again this will be for £23.00 per child. Our hope is that we will know more about the Government scheme and we will have launched this over the Easter break.

Please keep communicating with us if you are experiencing any other difficulties; we are very committed to ensuring that we support all our families throughout the school closure period.

I assure you of our continuing care and attention at this most difficult time.

Yours faithfully,

Mrs J Bolter

Principal Tudor Grange Primary Academy Meon Vale
