If you would like to attend this free taster session, please collect your child as normal at the end of the school day and bring your child to the Hall where you will be directed. You will be able to stay and watch your child participate in this taster session to enable you to then discuss the experience with your child and explore your child's interest in this club. Please note, we will not be able to accommodate storage of pushchairs in the School Hall. They will need to be left outside in the bike shelter. Photographs will not be permitted in the session. Parents are asked to ensure you leave the Hall to take any personal calls during the taster session.
