Dear Parent(s)/Carer(s),

We are delighted to let you know that Year 1 will be visiting the **Black Country Living Museum** as part of our History learning this half term. This exciting trip will support our topic, "How Have Toys Changed?", by giving the children the opportunity to explore toys from the past and compare them with the toys they play with today. Through hands-on experiences and real-life historical environments, the children will develop a deeper understanding of how childhood and toys have changed over time.

On this fun-filled day, the children will explore the toys that children played with in the historic houses between 1880 and 1940. They will investigate what playtime looked like in the past, handle old-fashioned toys, and even join in with street games and other traditional pastimes.
