

Tudor Grange Primary Academy

**Meon Vale**

**A Welcome from the  
Principal, Mrs Jodie  
Bolter**

# Welcome!

Under normal circumstances we enjoy welcoming new families into the school to meet the staff, become familiar with the environment and ask as many questions as you wish.

Unfortunately, in order to keep everyone safe, we are unable to do that under the current guidelines, but we are keen to support you and your children in making a smooth transition into Tudor Grange Primary Academy Meon Vale.

As the situation continues to evolve we will keep you updated on any planned events to introduce new pupils to their classroom and the staff who will become familiar to them.

Tudor Grange Primary Academy

## Promoting excellence in all that we do.

As part of the Tudor Grange Academies Trust (TGAT) we are driven by the ambition to ensure that all our pupils are given the opportunity to access high quality teaching and learning experiences, and ultimately are able to make excellent progress from their own starting points to enable them to live happy and fulfilling lives.

In order to start pupils on the best path we pride ourselves on providing the very best staff that we can, who share our passion for early education. We offer all staff opportunities to continue to refresh and extend their knowledge and expertise, to ensure that we are able to respond to the latest thinking in educational research. I encourage all staff to continually gain new learning experiences including myself! I am currently completing my final year in my Doctorate and hope that this will encourage both staff and students to engage in a life long love of learning.

High expectations reflect our ambition of achievement for all - we recognise that pupils may have very different starting points but that by providing a high quality personalised curriculum offer, every child can be successful.

## **Development of pupils' relationships, skills and learning behaviours.**

Our aim is that all pupils become confident - confident to ask questions; challenge themselves in times of uncertainty; challenge others and develop a secure sense of who they are.

We want to encourage all pupils to become successful learners. This might involve finding their 'talent', developing those skills to be resilient in the face of difficulty and recognise their strengths and areas for development. We encourage all pupils develop their ability to articulate their thoughts and feelings.

Our ambition is that all pupils, have a sense of belonging and are proud of themselves and their school, exemplified by positive behaviour and an active contribution to the growth of their school.

## **Build strong and effective working relationships.**

We are so fortunate that our school community is made up not only of parents, pupils and staff, but that we are also supported by a Local Governing Body, and the TGAT Multi Academy Trust Board.

As part of the Tudor Grange Academies Trust we are able to draw on expertise from central staff, as well as specialist teachers from Tudor Grange Academy Redditch. This year we have benefitted from teachers who have supported our Arts and Creative Arts curriculums.

We have been so well supported by the local community and I am thankful for the support and opportunities that this has given us as a school to grow and flourish.

We also engage with a number of support services to ensure that our families and young people are offered the provision they need to flourish - whether that be in regard to Special Educational Needs, wellbeing and mental health resources, transition and many more.

## The Information Pack.

Please take time to go through each item in your information pack.

If you have any questions, or anything changes, please let us know via [meonvale@tgacademy.org.uk](mailto:meonvale@tgacademy.org.uk) or 01789-721060

We look forward to welcoming you all to TGPAMV as soon as we are able.
