Day	Activities
Monday 4th	Inset Day
Tuesday 5th	Inset Day
Wednesday 6th	<p>9.15am – Phonics Please see TEAMs for the live streaming. This will also be available after the session. Today's focus is on explaining how this session will work in the future and answering any questions.</p> <p>11am – Maths Please see TEAMs for the live streaming. This will also be available after the session. Today's focus is on explaining how this session will work in the future and answering any questions. Feel free to practise writing numbers to 10 (or to 20) and you could use this PowerPoint to help you with formation:</p> <p>2.30pm - Story Sharing Please join us at this time for the story – 'Going on a Bear Hunt', which links to our topic for the week.</p> <p>Other things that you could try over the day:</p> <ul style="list-style-type: none"> - Please could you read at home/share your own favourite story together - Practise writing your name today
Thursday 7th	<p>9.15am – Phonics Please see TEAMs for the live streaming. This will also be available after the session. Watch: https://www.bbc.co.uk/iplayer/episode/p08731hg/alphablocks-magic-words-25-meet-alphablock-y Make a new y card for their phonics pack. Practise writing the letter formation and today's words - yap, yes, yet, yell, yum</p> <p>11am - Maths Please see TEAMs for the live streaming. This will also be available after the session. <u>Learning Intentions</u> – 'Compare numbers' and 'Understand the 'one more than/one less than' relationship between consecutive numbers'. Number ordering and sequencing of flash cards (of numbers to 10) that you can make at home. Select 2 cards and look at the numbers we have, what is the smallest? Biggest? Then muddle up the cards and order numbers 1-5 and 1-10. Play: https://www.topmarks.co.uk/ordering-and-sequencing/caterpillar-ordering You can always count from 1 and look for each number as you go.</p> <p>2.30pm - Story Sharing Please join us at this time for the story – 'Ice Bear'.</p> <p>Other things that you could try over the day:</p>

- Listen to the 'We're Going on a Bear Hunt' Story again – this version has the author, Michael Rosen, reading it to the children.
<https://www.youtube.com/watch?v=0gyI6ykDwds>
- Can you create a map of where the family go? For example:

- Today would be our day where we would be doing some PE in the classroom! Have a go at some 'Cosmic Yoga' that links to the story 'We're Going on a Bear Hunt'. Have fun! <https://www.youtube.com/watch?v=KAT5NiWHFIU>

Friday 8th

9.15am - Phonics

Please see TEAMS for the live streaming. This will also be available after the session. Watch - <https://www.bbc.co.uk/bitesize/topics/zvq9bdm/articles/zri6jhw> for z and <https://www.bbc.co.uk/bitesize/topics/zvq9bdm/articles/znrdrj6> for zz.

Write the sentences from each video.

Make z/zz cards for their phonics pack. - Print and play the 'Snail's Race'.

Revisit reading/writing word lists 1-9.

11am – Maths

Please see TEAMS for the live streaming. This will also be available after the session. Learning Intention – 'Compare the weight of objects'.

If you have a set of scales at home, then you can try the things suggested in the video for comparing objects. Use terms heavier/lighter.

Try playing the Seesaw game: <https://nrich.maths.org/14796> or the Happy Camel

Game: <https://pbskids.org/peg/games/happy-came>

2.30pm - Story Sharing

Please join us at this time for the story – 'The Hungry Caterpillar', this is one of Miss Wright's favourites!

Other things that you could try over the day:

- You could try making a bear mask to go with your 'Going on a Bear Hunt' map that you made yesterday! Use these things to retell the story.

- Don't forget to read at home/share a story each day!
