Reception – Hazel

"I can do gymnastics.
I can't drive...yet!"

"I can play football.
I can't play golf...yet!"

"I can draw.
I can't ride my bike...yet! "

"I can do maths.
I can't ride my bike...yet!"

"I can dance and sing.
I can't read big
words...yet!"

"I can help with washing!
I can't cook...yet!"

We read the story 'Giraffes Can't Dance' and looked at how Gerald felt when his friends laughed at him, but also what made him happy in the end! We then wrote about the things we can do and want to be able to do.

"If we are kind to other people, they will be kind to us."

"We should always talk to a grown up at home or at school if we don't feel safe or happy."

"We must always show our school values of kindness and compassion, responsibility and respect."

"Being kind makes my friends feel happy and it makes me feel happy too."

Our PSHE focus for this week was about understanding what bullying is. During our discussions, with the help of Jigsaw Jack, we discovered that bullying is something that happens again and again, it is harmful, and it is deliberate. Willows enjoyed reading these books to help us understand how we can keep our school bullying free and a happy and safe place to be.

Year 1 – Willow

We made anti-bullying posters to put around school so that we can help everyone to understand what bullying is, how we can prevent it and what to do if it is happening.

Year 2 – Birch

We talked about how we can show kindness at different times in the school day. Here are some of our ideas about how we can be kind at breaktime, at lunch and in class.

The troll was really sad because the goats had been unkind to him.

The goats wanted to get revenge on the Troll so they sent horrible messages about him.

If you see someone being unkind online you should tell a grown up you trust.

Bullying is when something happens several times on purpose. The goats were bullying the troll on their phone.

It is important to be kind online, just like we would be in real life.

You must speak to a grown up if you see something online that makes you feel sad, scared or worried.

We read a story about online bullying called 'Troll Stinks' and thought about how important it is to remember that bullying can happen anywhere, which even includes when we are online.

Cyberbullying is bullying which happens online using a device.

Friendship Flower

Having good friends in our lives is important; they can help us to feel happy and safe.
Draw a picture of yourself in the middle of the flower and on each petal, write the qualities you have that make you a good friend to others. On the leaves, write qualities you would like to develop more.

This week we made friendship flowers which show all the qualities of being a good friend.
