

## Pupil Leadership in Action

Children's Parliament representatives and School Ambassadors from our Year 3 class attended an **Equaliteach workshop** at Tudor Grange Primary Academy - Hockley Heath.

The pupils took part in an **'Agents for Change' workshop** in which they found out more about **identity-based bullying** and **discussed strategies to create an inclusive and diverse school environment, where everyone is valued and able to succeed**. The pupils worked through a series of tasks building their knowledge on the different types of identity-based bullying and were given the opportunity to create an action plan of ideas to share with our school. Some insightful discussions were had, and the pupils left with lots of ideas and strategies to help promote positive relationships in school and ensure it continues to be a welcoming place for students to learn and grow!
