

## MATHEMATICS

- Recognise and write numbers within 50.
- Know one more and one less than numbers within 50.
- Compare numbers within 50.
- Measure length and height using non-standard (cubes) and standard (cm) units.
- Compare lengths and heights.
- Measure weight and mass.
- Compare weight and mass.
- Measure capacity and volume.
- Compare capacity.

## Year 1 – Willow Class Spring 2 2024

## GEOGRAPHY

### Can I See the Sea? (United Kingdom)

Know about the four countries of the United Kingdom, using world maps, atlases, and globes to identify the UK, its four countries and the surrounding seas. They will also identify characteristics of the four countries of the UK, their capital cities, and the surrounding seas.

## PSHE

### Healthy Me

In this unit, the children will be exploring the differences between being healthy and unhealthy. They will recognise ways they can keep their bodies healthy and will learn how to make healthy life choices.

## ENGLISH

Focus Text: 'Bold Women in Black History' by Vashti Harrison.

The children will be completing their first non-fiction writing in English, a biography about American sprinter Florence Joyner. To do this, the children will learn to use headings, subheadings, and commas, as well as use the conjunctions and, but, because to extend their sentences.

## PHYSICAL EDUCATION

### Striking for Accuracy (Net Games)

Children will be shown how to strike a ball or object using a racket, using techniques encouraged to develop balance, control & accuracy.

## COMPUTING

### Data & Information

The children will understand what the term 'data' means and how this can be collected in the form of a tally chart. They will learn how data can be organised and will use 2Count and 2Calculate to present data they collect in pictograms and block diagrams. They will then analyse the data by answering questions about their data.

## SCIENCE

### Plants

In Science, the children will identify and name a variety common wild and garden plants, including deciduous and evergreen trees. They will also be able to name and label the basic features of a tree.

## MUSIC

### Learning to Listen

Listening is very important. You can listen with your eyes and ears and you can also feel sound in your body. The children will use glockenspiels to listen to, copy and repeat a simple rhythm through call and response.

## DESIGN & TECHNOLOGY

### Fruit Salad

The children will learn how to use the basic principles of a healthy and varied diet to prepare a fruit salad.
