

MATHEMATICS

- Recognise, make and add equal groups
- Write multiplication sentences
- Use arrays
- Recall multiplication facts for 2s, 5s and 10s
- Make equal groups – sharing and grouping
- Divide by 2, 5 and 10
- Odd and even numbers
- Doubling and halving
- Measure in centimetres and metres and compare and order lengths and heights
- Measure in grams and kilograms
- Compare volume and capacity
- Measure in millilitres and litres
- Temperature

Year 2 – Birch Class Spring 2 2024

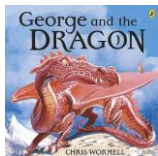

RELIGIOUS EDUCATION

Who is Jewish and what do they believe?

The children will learn about the Jewish faith and the main beliefs within this religion. They will learn about symbols and celebrations that are significant to Jews.

ENGLISH

Focus Text: 'George and the Dragon'
by Chris Wormell

The children will explore this text by learning about the key moments in the story and writing about them. They will then retell the legend of St. George and the Dragon.

SCIENCE

Uses of Everyday Materials

In this unit, the children will identify and compare the suitability of a variety of materials for particular uses. They will also find out how the shapes of objects made from some materials can be changed by squashing, bending, twisting and stretching.

PHYSICAL EDUCATION

Hit, Catch, Run

The children will develop their hitting skills and will practice their feeding/bowling skills. They will also learn how to defend a target as well as learning how to work as a team to score points in a striking and fielding game.

DESIGN & TECHNOLOGY

Perfect Pizzas

The children will learn where different pizza ingredients come from. They will then design, make and evaluate their own pizza.

HISTORY

Why did London burn?

In this unit, the children will begin to ask questions relating to the Great Fire of London and will use a range of sources to find out the answers. The children will retell the events of the fire in chronological order and will learn about how why the fire caused so much damage. The children will also learn about Samuel Pepys and will consider how London changed after the fire.

PSHE

Healthy Me

In this unit, the children will be exploring the differences between being healthy and unhealthy. They will recognise ways they can keep their bodies healthy and will learn how to make healthy life choices.

COMPUTING

Data & Information

The children will understand what the term 'data' means and how this can be collected in the form of a tally chart. They will learn how data can be organised and will present data they collect in pictograms and block diagrams. They will then analyse the data by answering questions about it.

MUSIC

Charanga – 'Recognising Different Sounds'

The children will learn about harmony and how voices and instruments can work together to play different pitches at the same time to make harmony in music.
