### **Decision notice**

#### **Consultation on proposed new admission arrangements for the 2025-2026 intake**

A public consultation on the admission arrangements for 2025-2026 ran from 15<sup>th</sup> December 2023 to 31<sup>st</sup> January 2024, according to the requirements of the [Schools Admissions Code](#) (2021).

Changes were proposed to the existing admission arrangements as follows:

- We have added a new oversubscription category for children with an exceptional medical and/or social need, the wording has been made clearer and tightened up, and we are proposing to adopt a new Supplementary Information Form that parents must submit for inclusion in this high priority category. This is consistent with all other academies within the Trust.
- We have added a new oversubscription category to include children of staff who were recruited to fill a vacant post at the Academy for which there is a demonstrable skill shortage. We have included information to confirm what is meant by a 'staff member', and a 'child of a staff member', including where they must be based and where the child must live, which is mandatory information under the Code.

A committee of trustees met on 8 February 2024 to consider the responses received in the public consultation and determine the admission arrangements for 2025-2026. There were no responses received to this consultation.

Trustees felt that the changes proposed were fair. Children within the oversubscription criterion for children with an exceptional medical and/or social need would be treated consistently and fairly. Trustees were mindful of the current challenges faced when recruiting in education, but were also aware of their duty as trustees, to ensure that schools within Tudor Grange Academies Trust remained schools which focused on serving their communities. Trustees decided to proceed with the oversubscription criterion for children of members of staff (paragraph 18.4) as consulted upon, with eligibility limited to those staff who had been recruited to a vacant post for which there is a demonstrable skill shortage.

There were some minor changes to wording

- in paragraph 18.2 (Children with an exceptional medical and/or social need to attend Tudor Grange Primary Academy Meon Vale) to clarify the decision maker;
- In paragraph 18.4 (Children of staff at Tudor Grange Primary Academy Meon Vale recruited to a vacant post for which there is a demonstrable skill shortage), clarification of eligibility.

Subject to these amendments, **Trustees determined the admission arrangements for 2025-2026** incorporating the consultation changes as proposed.
