

Safeguarding at Tudor Grange Primary Academy Meon Vale

At Tudor Grange Primary Academy Meon Vale we have a responsibility to keep you safe. All the adults think that your safety and wellbeing is very important.

We all live by the school values of Kindness, Compassion, Responsibility and Respect. Our school uses the THRIVE approach to support your mental health and wellbeing

We aim to keep you safe and happy and provide you with the support to make excellent progress and achieve your full potential.

We teach you about "protective behaviours", about staying safe online and about "early warning signs" you may feel if you are uncomfortable in a situation.

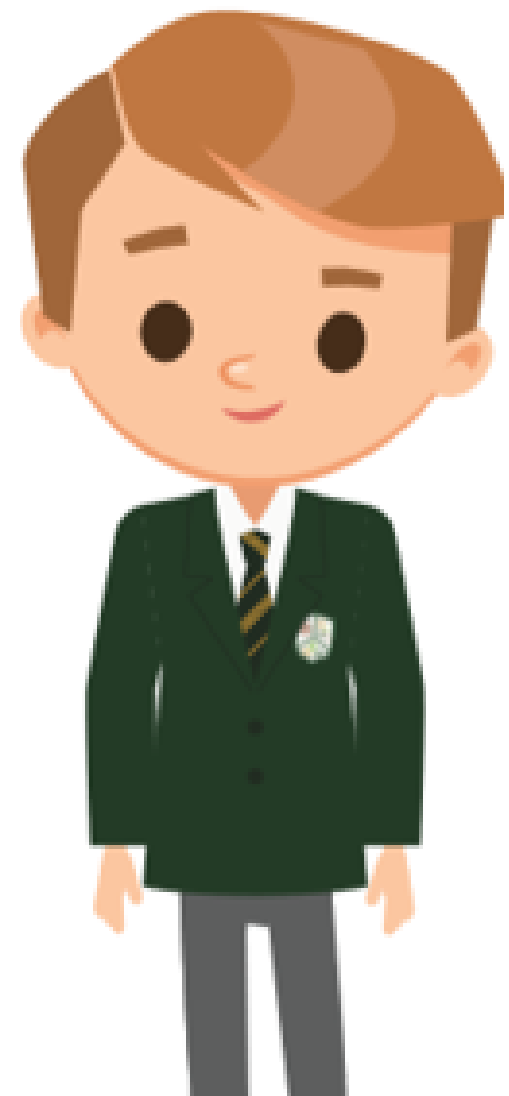

Talk to an adult in school if you are feeling unsafe

Is someone saying things that make you uncomfortable?

Is someone hurting you?

Is someone sending you messages you don't like?

Is someone forcing you to do things?

Who can you speak to?

If you are worried about something you can talk to any adult in school. You can talk to a class teacher, teaching assistants or Staff from the office. We have designated safeguarding leads for our school.

If you need someone to call
when you are not in school

Childline - 0800 1111
NSPCC - 0808 800 5000

Bee Safe!

The Bee safe board in the school hall gives you more information about getting help from other people inside and outside of school.
